The combined prospectus in the latest registration statement must include all of the information that currently would be required in a prospectus relating to all offering(s) that it covers. (b) Where a registrant relies on paragraph (a) of this section, the registration statement containing the combined prospectus shall act, upon effectiveness, as a post-effective amendment to any earlier registration statement whose prospectus has been combined in the latest registration statement. The registrant must identify any earlier registration statement to which the combined prospectus relates by setting forth the Commission file number at the bottom of the facing page of the latest registration statement.

§ 230.430A Prospectus in a registration statement at the time of effectiveness.

(a) The form of prospectus filed as part of a registration statement that is declared effective may omit information with respect to the public offering price, underwriting syndicate (including any material relationships between the registrant and underwriters not named therein), underwriting discounts or commissions, discounts or commissions to dealers, amount of proceeds, conversion rates, call prices and other items dependent upon the offering

price, delivery dates, and terms of the securities dependent upon the offering date; and such form of prospectus need not contain such information in order for the registration statement to meet the requirements of Section 7 of the Securities Act (15 U.S.C. 77g) for the purposes of Section 5 thereof (15 U.S.C. 77e), *Provided, That*:

(1) The securities to be registered are offered for cash;

(2) The registrant furnishes the undertakings required by Item 512(i) of Regulation S-K (§ 229.512(i) of this chapter); and

(3) The information omitted in reliance upon paragraph (a) from the form of prospectus filed as part of a registration statement that is declared effective is contained in a form of prospectus filed with the Commission pursuant to Rule 424(b) or Rule 497(h) under the Securities Act (§§ 230.424(b) or 230.497(h) of this chapter); except that if such form of prospectus is not so filed by the later of fifteen business days after the effective date of the registration statement or fifteen business days after the effectiveness of a post-effective amendment thereto that contains a form of prospectus, or transmitted by a means reasonably calculated to result in filing with the Commission by that date, the information omitted in reliance upon paragraph (a) must be contained in an effective post-effective amendment to the registration statement.

Instruction to Paragraph (a): A decrease in the volume of securities offered or change in the bona fide estimate of the maximum offering price range from that indicated in the form of prospectus filed as part of a registration statement that is declared effective may be disclosed in the form of prospectus filed with the Commission pursuant to § 230.424(b) or § 230.497(h) under the Securities Act so long as the decrease in the volume or change in the price range would not materially change the disclosure contained in the registration statement at effectiveness. Notwithstanding the foregoing, any increase or decrease in volume (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b)(1) (§ 230.424(b)(1)) or Rule 497(h) (§ 230.497(h)) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the

maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective registration statement.

(b) The information omitted in reliance upon paragraph (a) from the form of prospectus filed as part of an effective registration statement, and contained in the form of prospectus filed with the Commission pursuant to Rule 424(b) or Rule 497(h) under the Securities Act (§§ 230.424(b) or 230.497(h) of this chapter), shall be deemed to be a part of the registration statement as of the time it was declared effective.

(c) When used prior to determination of the offering price of the securities, a form of prospectus relating to the securities offered pursuant to a registration statement that is declared effective with information omitted from the form of prospectus filed as part of such effective registration statement in reliance upon this Rule 430A need not contain information omitted pursuant to paragraph (a), in order to meet the requirements of Section 10 of the Securities Act (15 U.S.C. 77j) for the purpose of section 5(b)(1) (15 U.S.C. 77e(b)(1)) thereof. This provision shall not limit the information required to be contained in a form of prospectus meeting the requirements of section 10(a) of the Act for the purposes of section 5(b)(2) thereof or exception (a) of Section 2(10) (15 U.S.C. 77b(10)) thereof.

(d) This rule shall not apply to registration statements for securities to be offered by competitive bidding.

(e) In the case of a registration statement filed on Form N-1A (§ 239.15A and § 274.11A of this chapter), Form N-2 (§ 239.14 and § 274.11a-1 of this chapter), Form N-3 (§ 239.17a and § 274.11b of this chapter), or Form N-4 (§ 239.17b and § 274.11c of this chapter), the references to “form of prospectus” in paragraphs (a) and (b) of this section and the accompanying Note shall be deemed also to refer to the form of Statement of Additional Information filed as part of such a registration statement.

NOTE: If information is omitted in reliance upon paragraph (a) from the form of prospectus filed as part of an effective registration statement, or effective post-effective amendment thereto, the registrant must ascertain promptly whether a form of prospectus transmitted for filing under Rule 424(b) of Rule 497(h) under the Securities Act

§ 230.431 Summary prospectuses.

(a) A summary prospectus prepared and filed (except a summary prospectus filed by an open-end management investment company registered under the Investment Company Act of 1940) as part of a registration statement in accordance with this section shall be deemed to be a prospectus permitted under section 10(b) of the Act (15 U.S.C. 77j(b)) for the purposes of section 5(b)(1) of the Act (15 U.S.C. 77e(b)(1)) if the form used for registration of the securities to be offered provides for the use of a summary prospectus and the following conditions are met:

(1)(i) The registrant is organized under the laws of the United States or any State or Territory or the District of Columbia and has its principal business operations in the United States or its territories; or

(ii) The registrant is a foreign private issuer eligible to use Form F-2 (§ 239.32 of this chapter);

(2) The registrant has a class of securities registered pursuant to section 12(b) of the Securities Exchange Act of 1934 or has a class of equity securities registered pursuant to section 12(g) of that Act or is required to file reports pursuant to section 15(d) of that Act;

(3) The registrant: (i) Has been subject to the requirements of section 12 or 15(d) of the Securities Exchange Act of 1934 and has filed all the material required to be filed pursuant to sections 13, 14 or 15(d) of that Act for a period of at least thirty-six calendar months immediately preceding the filing of the registration statement; and (ii) has filed in a timely manner all reports required to be filed during the twelve calendar months and any portion of a month immediately preceding the filing of the registration statement and, if the registrant has used (during the twelve calendar months and any portion of a month immediately preceding the filing of the registration statement) Rule 12b-25(b) under the Securi-

Such prospectus may include any other information the substance of which is contained in the registration statement except as otherwise specifically provided in the instructions as to summary prospectuses in the form used for registration. It shall not include any information the substance of which is not contained in the registration statement except that a summary prospectus may contain any information specified in Rule 134(a) (§ 230.134(a)). No reference need be made to inapplicable terms and negative answers to any item of the form may be omitted.

(c) All information included in a summary prospectus, other than the statement required by paragraph (e) of this section, may be expressed in such condensed or summarized form as may be appropriate in the light of the circumstances under which the prospectus is to be used. The information need not follow the numerical sequence of the items of the form used for registration. Every summary prospectus shall be dated approximately as of the date of its first use.
